Quick review of eduGAIN service

- eduGAIN is not trying to harmonize the meaning of student or employee all over the globe... Always will be up to each federation/country
- An entity connects to eduGAIN through a federation, no direct connection.
- All federations are welcome to make use of eduGAIN

Quick review of eduGAIN service

- Service timelines
 - April 2010: pre-pilot service started
 - October 2010: pilot service started
 - Feb 2011: 13 federations involved in, out of a possible 19.
 - April 2011: production service started
- July 2011: current MDS will be “cleaned” from federations who has NOT signed the eduGAIN policy
