Innovation through participation

- eduGAIN Policy Framework
- MDS (Metadata Distribution Service)

- eduGAIN requires a Metadata Registration Practice Statement (MRPS)
  - Defines the registration of federation entities
- There is NO specification of an aggregator
  - MDS is an aggregator
  - Operation isn't transparent
  - It should be...
- Result... *in-progress*
  - REFEDS Work Item
  - Allows known operation of a metadata aggregator
  - All aggregators could be configured to produce the same result

- “Governance” and the role of the eduGAIN Technical Steering Group
- “opt-in” clause and the side effect of eduGAIN vs Interfederation
- “Terms of Use” in Metadata
- Lets fix “*other problems*” as well
