Why eduID ?

- Flexible education
 - Student mobility (also across national borders!)
 - Overarching identity (replacing IdP accounts)
 - Life long learning
 - Student-centric
-
- Join eduID BoF @ TNC:

SURF Research Access Management

- Fast and secure access for collaborating researchers
- More functionality than SURFconext, such as group management, authorizations, flexible policies (research group is central) and non-web
- Designed for international collaboration in research groups
